Business Management, San Marcos, TX

#### Sculpture Workshop Instructor/Study

Sculpting Workshop Instructor 1995-1999  
Professional Workshop Study 1996-1998  
Randy Steffen Sculpture Student 1976

#### Quotes:

Don Hunt says the best advice he ever received came from his mentor and art teacher, Randy Steffen, "Sculpt what you know about." Current monumental work entails six life-size mustangs installed in Texas. Hunt, a member of the Plaza Club in San Antonio, accepts private and corporate commissions for western as well as portrait sculpture.
